Subject: Rush - Budget veto redraft for Rep, Rhoades

Tracy and Christopher,

I am not sure who I should direct this request to, so I am sending it to both of you. My apologies for the redundancy.

Rep. Rhoades would like a rush draft of a budget provision that was vetoed from the 2009-11 state budget. I have the summary language below from the LFB summary.

Page 24 of the LFB summary on Governor's Vetoes: <http://bit.ly/CtbBu>

n. Report on At-Risk Businesses and Emergency Response Team. From the Department of Commerce, to the Joint Committee on Finance, within 30 days of the effective date of the bill, a report that would have included retention methods the Department could use to identify companies at risk for relocation or expansion outside of Wisconsin. The Department would also Page 25 have been required to develop a plan to identify businesses outside of Wisconsin that are seeking to relocate or expand, or that could be encouraged to relocate or expand through the use of incentives. Commerce would also have been required to develop an emergency response team that could contact prospects for expansion or relocation within 24 hours after notification.

Please keep the 30 day requirement of the effective date of the bill in the draft.

Thank you for your time. Please let me know if you have any questions.

Sincerely,
Kevin Moore
Office of Rep. Kitty Rhoades

Please let me know if you have any questions on the bill draft.
